"Alexandria Greyson is cursed. How else can she explain why every man within sniffing distance comes running to her rescue? She's not even trying the least to look pretty but she attracts men like a magnet. When a man is killed while trying to bring her an umbrella, she realises that her condition isn't going away on its own and she'll need to find a cure if she ever wants to live a normal life. So when her "Fairy Godmother" sends her on a quest to cure the curse that's been plaguing her, Alex is doubtful but willing. Together with her beastly Prince Charming, she starts gathering all six ingredients that make up the cure. Everything was going smoothly, until the last ingredient involves the heart of the one person she has learned to love: a dragon's heart." -- Provided by publisher
