Título: The Concept of Stability in Numerical Mathematics [Recurso electrónico] by Wolfgang Hackbusch

Editorial: Berlin, Heidelberg Springer Berlin Heidelberg Imprint: Springer 2014

Descripción física: XV, 188 p. online resource

Tipo Audiovisual: Differential equations, partial Integral Equations Integral equations Mathematics Numerical Analysis Numerical analysis Partial Differential Equations

Mención de serie: Springer Series in Computational Mathematics 0179-3632 45

ISBN: 9783642393860 978-3-642-39386-0

Entidades: SpringerLink (Online service)

Punto acceso adicional serie-Título: Springer Series in Computational Mathematics 0179-3632 45
