Monografía

The popular Slanguage series has helped hundreds of thousands of enthusiastic fans learn to easily communicate better in foreign languages either while traveling abroad or at home. Now it takes on the topic of travel itself, presenting more than two dozen travel-related words and phrases in ten different languages. So if you're in France looking for a nice hotel (Bell Oh Tell), or if you'd like to know how much (Kwan Toe?) a souvenir from Italy costs, Travel Slanguage is the book for you Mike Ellis is a Web designer with expertise in e-commerce, online marketing, search engine optimization, and affiliate marketing. He's the author of ten previous Slanguage books. Mike helps run a youth athletic league and loves coaching kids in his spare time. He lives with his family near Philadelphia
