

Woman of valor /

Benham, Janelle

Treble Heart Books,
2004

New Zealand fiction-

Romance fiction.

Romance fiction.

Monografía

Wealthy, spoiled American Samantha Pinkman lands in trouble and is banished to spend the summer in Israel working on an archaeological dig, though Sam prefers a summer in Paris. Everything she touches goes wrong, from washing precious artifacts in the dishwasher to suffering dehydration, all witnessed by her nemesis, Joshua Ben-Sion. As if this is not bad enough, the two are hurtled back in time to Roman occupied Jerusalem where they are the only people who realize the tragedy that is about to unfold. They are in the race of their lives to unravel the mystery surrounding their bizarre journey and to unlock the key to the future. Women of Valor is the story of two fated lovers who struggle to come to terms with their past and their present, with the things they cannot change and the things they must accept
