Young adult nonfiction.

Monografía

The book provides a detailed exploration of the Tulsa Race Massacre of 1921 and its impact on the Greenwood District, also known as Black Wall Street. It delves into the historical context of racial violence in America, highlighting the struggles and resilience of Black communities. The author, Brandy Colbert, aims to shed light on the often overlooked aspects of Black history and the systemic racism that continues to affect African Americans. Through personal reflections and historical analysis, the book targets readers interested in understanding the complexities of race relations in the United States and the enduring legacy of racial injustice.
