Monografía

"The first-ever collection of Aaniih/Gros Ventre narratives to be published in the Aaniih/Gros Ventre language, this book contains traditional trickster tales and war stories. Some of these stories were collected by Alfred Kroeber in 1901, while others are contemporary, oral stories, told in the past few years. Like other First Nations Language Readers, Aaniih/Gros Ventre Stories comes with a complete glossary and provides some grammar usage. Delightfully illustrated, each story is accompanied by an introduction to guide the reader through the material."--
