

The family in America : an encyclopedia /

Hawes, Joseph M.

ABC-CLIO,
2001

encyclopedias. Encyclopedias. Encyclopedias. Encyclopédies.

Monografía

An incisive, multidisciplinary look at the American family over the past 200 years, written by respected scholars and researchers. The tapestry of American families represents the best and worst our society has to offer, from the life-affirming rituals of weddings and family reunions to heart-wrenching social problems such as child abuse and adultery
