Monografía

"This collection gathers entries previously published as part of the South Carolina Encyclopedia. Each entry offers a thumbnail description of a woman with a connection to South Carolina who made a significant impact in the history of the state, nation, and, in some cases, world. The collection is organized chronologically by time period, with women associated with each period included in that section. Introductory material is provided by Valinda W. Littlefield, Associate Professor of History, University of South Carolina"--
