Monografía

African-American athletes have played a significant role in the development and popularity of American professional sports, and have encountered numerous obstacles on the road to athletic success. This is the first comprehensive multi-sport biographical dictionary of African Americans who reached the pinnacles of success in their sport. It contains more personal and career profiles of African-American sports greats than are found in any other single source. Biographical profiles of 166 noted athletes, coaches, and administrators in team and individual sports include both Ristorical figures suc
