Título: Topological invariants of plane curves and caustics V.I. Arnold

Editorial: Providence, R.I American Mathematical Society c1994

Descripción física: vii, 60 p ill 26 cm

Mención de serie: University lecture series v. 5

Nota general: "Dean Jacqueline B. Lewis memorial lectures."

Bibliografía: Includes bibliographical references (p. 59-60)

ISBN: 0-8218-0308-5

Materia: Curvas sobre superficies
