Festschriften. Criticism, interpretation, etc. Festschriften.

Monografía

This collection comprises eighteen papers by friends, colleagues and students of Michael A. Knibb on the theme of the transmission of biblical traditions in a variety of contexts. In the main, the articles deal with the transmission of biblical traditions in the versions, the pseudepigrapha, at Qumran, and in early Christian writings. The collection as a whole clearly demonstrates the way in which biblical traditions were shaped and re-shaped creatively in the biblical, early Jewish and Christian literature
