

Biblical traditions in transmission [essays in honour of Michael A. Knibb /

Knibb, Michael A. (Michael Anthony) (1938-)

Hempel, Charlotte
Lieu, Judith

Brill,
2006

Monografía

This collection comprises eighteen papers by friends, colleagues and students of Michal A. Knibb on the theme of the transmission of biblical traditions in a variety of contexts. In the main, the articles deal with the transmission of biblical traditions in the versions, the pseudepigrapha, at Qumran, and in early Christian writings. The collection as a whole clearly demonstrates the way in which biblical traditions were shaped and re-shaped creatively in the biblical, early Jewish and Christian literature
